

**Device Support Notice for Fujitsu Semiconductor Limited  
ARM Microcontroller**

Dear Valued Wave Technology customers,

We are pleased to announce our support for the “Fujitsu Semiconductor Limited ARM Microcontroller FM3 Family” series on our Y3000 product line.

The FM3 Family is described to be an “up and coming device that combines the fastest in the industry flash memory and ARM Cortex M3 processor core.”

See below for more information on FM3 Family:
